KENNETH HAHN HALL OF ADMINISTRATION 500 WEST TEMPLE STREET, ROOM 525 LOS ANGELES, CALIFORNIA 90012-3873 PHONE: (213) 974-8301 FAX: (213) 626-5427

October 8, 2013

The Honorable Board of Supervisors County of Los Angeles 383 Kenneth Hahn Hall of Administration 500 West Temple Street Los Angeles, California 90012

Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS COUNTY OF LOS ANGELES

#91 of OCTOBER 8, 2013

SACHI A. HAMAI EXECUTIVE OFFICER

REQUEST FOR APPROVAL OF THE SUPPLEMENTAL BUDGET RESOLUTION FOR FISCAL YEAR 2013-14 ALL DISTRICTS (3-VOTES)

SUBJECT

Approval of the recommended action will realign the County Budget with actual fund balance available.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the attached budget resolution supplementing the Fiscal Year (FY) 2013-14 budget adopted on June 24, 2013.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

This action is necessary to adjust the budget of the various funds to reflect the actual fund balance available.

The FY 2013-14 budget, adopted on June 24, 2013, was based upon estimates of fund balance available. Now that final balances are available, adjustments to the budget are necessary to reflect the actual fund balance available.

Honorable Board of Supervisors October 8, 2013 Page 2

Implementation of Strategic Plan Goals

This action is consistent with the County's Strategic Plan Goal No. 2 of Fiscal Sustainability.

FISCAL IMPACT/FINANCING

The fund balance available for General Fund is \$1,497,581,000, which is an increase of \$362,418,000 over the estimated \$1,135,163,000 originally included in the FY 2013-14 budget.

The Supplemental Budget Resolution includes the recommendation to allocate the General Fund surplus of \$362,418,000 and for all other budgeted funds of \$365,886,000 to the Appropriations for Contingencies account pending further Board actions to provide for specific appropriations.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Government Code Section 29009 requires the County to have a balanced budget. This action will bring the budget into alignment with the actual fund balance available. Government Code Section 29084 allows the entire amount to be placed in Appropriations for Contingencies, as the Board deems sufficient. By adopting this resolution, your Board would be acting pursuant to its grant of authority under the government code.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

None.

Respectfully submitted,

WENDY L. WATANABE

Auditor-Controller

ACTIVITY OTHER PROTECTION

PUBLIC PROTECTION The Department of Animal Care and Control (Department), operating under State law and County ordinance, provides for public safety in

the community through the removal and impoundment of domestic animals and livestock in the unincorporated areas of the County and contract cities. Central to the core mission of the Department are animal sheltering of impounded animals, adoption and placement of available animals, recovery of lost animals, rabies vaccination, and licensing of dogs and cats. The Department also provides for public education programs, spay and neuter surgeries, and evacuation of animals during fires and other emergencies. The Department operates six animal shelters which have veterinary medical clinics as part of their operations. Department costs are partially offset by revenue from pet licenses, income from contract cities, and fees collected for animals in the shelters.

The 2013-14 Adopted Budget reflects an overall net increase of 286.0 budgeted positions for the Department of Health Services (DHS) and includes funding for ongoing costs for existing programs and revenue-offset program expansions at the various County hospitals, health facilities, and central administration in order to achieve departmental priorities and other operational needs. The budget is fully funded with available resources, including \$124.7 million from the obligated fund balance committed for DHS.

The 2013-14 Adopted Budget also reflects a decrease in one-time Community Partner program carryover claims and Clinic Capacity Expansion Program funding; partially offset by a one percent increase in the County's maintenance of effort for FY 2013-14, as required by the Assembly Bill (AB) 85 Affordable Care Act Implementation. The Adopted Budget also reflects increases in the NCC transferred to the capital projects budget and to the Department of Public Social Services for the In-Home Supportive Services Provider Health Care Plan.

HOMELESS AND HOUSING PROGRAM

FUND

FUNCTION GENERAL FUND PUBLIC ASSISTANCE

ACTIVITYOTHER ASSISTANCE

The Homeless and Housing Program (HHP) was designed to prevent and reduce homelessness in Los Angeles County by using a regional and multi-dimensional approach to increase housing and supportive services for individuals, families, and youth. The HHP continued to implement specific programs in partnership with County departments, the Los Angeles Homeless Services Authority (LAHSA), Community Development Commission (CDC), and various cities. The program focused on preventing and reducing homelessness through the following six strategies: housing assistance to maintain permanent housing; discharge planning at hospital and jails; community capacity building with local housing developers and service providers; regional planning to develop housing resources and service networks; supportive services integration and linkages to housing; and innovative programs for the most vulnerable chronically homeless.

2013-14 ADOPTED BUDGET

The 2013-14 Adopted Budget reflects a net County cost increase of \$6.3 million, primarily due to one-time funding for the email migration costs of seven departments, the replacement of Private Branch eXchange (PBX) systems with Voice-over Internet Protocol (VoIP) for the most critical locations, the upgrade of the water pumping system and controls at the Hall of Administration (HOA), to address priority building maintenance workload, and to sustain services at the Downey Data Center (heating ventilation air conditioning systems, power systems, etc.), the carry-forward in one-time funding to finance the estimated architectural and engineering fees of the new Disaster Recovery Data Center, ongoing funding to fully fund fleet services indirect costs, and funding for various centrally planned employee benefits. These increases are partially offset by the deletion of one-time funding provided in FY 2012-13 for email migration costs of six departments, maintenance/repairs at the HOA, and the net decrease in funding for server consolidation. The Adopted Budget also reflects a net increase in gross appropriation of \$22.4 million and 7.0 positions in various reimbursable services provided to County departments and other agencies, such as computing services, facilities operations services, fleet services, and purchasing and contract services.

2013-14 ADOPTED BUDGET

The 2013-14 Adopted Budget provides the minimum net County cost needed to meet State Maintenance of Effort (MOE) requirements. Continued funding of the MOE allows the Department to receive ongoing Sales Tax Realignment funding. 2013-14 ADOPTED BUDGET

The 2013-14 Adopted Budget reflects estimates based on historical and economic forecasting data for various revenue sources. Economic growth and higher levels of consumer spending allowed for anticipated increases in deed transfer tax and sales and use tax revenues. Also reflected are decreases associated with general County overhead charges assessed to the Hospitals as well as the business license tax due to the closure of the Puente Hills Landfill. Negotiated pass-through revenue tied to redevelopment agencies was transferred to the Financing Elements budget unit.

FUNCTIONGENERAL FUNDACTIVITYGENERALOTHER GENERAL

The Nondepartmental Special Accounts (NDSA) budget provides for special General Fund expenditures and revenues, which are not directly related to any single County department and, if included in any department's budget, would distort the true operating costs of that budget. The appropriation reflects charges for services of countywide benefit and for special contracts that are not related to any single department's main mission. Also included are interest expense and earnings associated with the Treasury Management Program.

2013-14 ADOPTED BUDGET

The 2013-14 Adopted Budget reflects an over decrease in net County cost (NCC), due to a decrease in both the Administration and Assistance Budgets.

The Administration budget reflects an overall NCC decrease due primarily to the implementation of the In-Home Supportive Services Maintenance of Effort and the transfer of NCC to the DPSS Assistance Budget.

The Assistance Budget reflects an overall NCC decrease due primarily to a projected increase in Sales Tax Realignment. Expenditures are projected to increase in both Refugee Cash Assistance and Refugee Employment Program, which are fully offset by State and federal revenue.

The Lockyer-Isenberg Trial Court Funding Act (TCFA) of 1997 (Assembly Bill 233, Chapter 850, Statutes of 1997) provides long-term fiscal relief to counties by capping the counties' contribution for court operations. The TCFA requires counties to make an annual Maintenance of Effort (MOE) payment to the State for support of trial courts. The Trial Court Facilities Act (Senate Bill 1732, Chapter 1082, Statutes of 2002) authorized the transfer of responsibility for court facilities from the counties to the State and requires that counties make County Facilities Payment (CFP). This budget also provides funding for certain court-related expenditures such as indigent defense, local judicial benefits, and collection enhancement.

As part of the Trial Court Facilities Act (Senate Bill 1732, Chapter 1082, Statutes of 2002), the County elected to reduce the County Facilities Payment (CFP) to the State and retain responsibility for certain child related programs and transportation needs at the Edelman's Children Court. These programs are a collaborative effort of various County Departments with the goal to improve the lives of children that find themselves in the Dependency Court system.

2013-14 ADOPTED BUDGET

The 2013-14 Adopted Budget reflects a net County cost decrease of \$36,000 primarily due to the reduction in utility costs for NCC funded facilities. The Adopted Budget also reflects a net appropriation increase for the Southern California Regional Energy Network (SoCalREN) programs and energy management programs, partially offset by decreased funding for natural gas, water/other utilities, power plants operations, Energy Cost Adjustment Factor (ECAF) projects, and the Energy Efficiency and Conservation Block Grants (EECBG).

The equipment identified on this page reflects County equipment requirements to be financed through the Los Angeles County Capital Asset Leasing (LAC-CAL) Corporation in 2013-14. The Board has not allocated, reserved or otherwise set aside any funds in the County's 2013-14 Final Budget to purchase the equipment identified above.

It is officially the intention of the Board that the acquisition of such equipment be initially funded through the issuance of Bond Anticipation Notes (BANs) or another short-term financing mechanism. The BANs will be issued by LAC-CAL and purchased as an investment by the County Treasury Pool in an amount sufficient to acquire and deliver the identified equipment. Any such costs, which are initially funded by BANs, will be properly capitalized under general federal income tax principles.

Further, the Board expects the outstanding BANs to be redeemed and the County Treasury Pool to be reimbursed, through the issuance of taxable or tax-exempt, intermediate-term lease revenue bonds, certificates of participation, or through a lease with a third-party lessor. The amounts specified above represent the maximum principal amounts of such intermediate-term obligations to be issued for the specified equipment.

These official intentions of the Board with respect to the LAC-CAL Equipment Program have been specified in accordance with U.S. Treasury Regulation 1.150-2.

2013-14 ADOPTED BUDGET

The 2013-14 Adopted Budget reflects a \$8.0 million increase primarily due to increases in Fund Balance Available, Cancellation of Obligated Fund Balance for water system improvements for various districts, and Charges for Services-Other revenue; partially offset by decreases in Other Financing Sources-Operating Transfers In and Long-Term Debt Proceeds from State Revolving Fund Loans.

2013-14 ADOPTED BUDGET

This fund consists of appropriation and federal revenue primarily received from the Department of Housing and Urban Development (HUD) to fund Housing Authority expenses related to Conventional Housing, Modernization and Section 8 Housing Choice Voucher Rental Subsidy Programs. The 2013-2014 Adopted Budget reflects a \$17.8 million decrease from the Fiscal Year 2012-13 Adjusted Budget. The decrease is primarily related to lower federal funding in Section 8 HAP/Admin as a result of sequestration in Fiscal Year 2013-14 and the completion of prior year Capital Fund projects.

Please note, the actuals submitted for Fiscal Year 2011-12 were pre-audit figures and have been updated. Also, the actuals submitted for Fiscal Year 2012-13 are pre-audit figures and are subject to change.

This District was established as a result of voters' approval of the Safe Neighborhood Parks Proposition on November 3, 1992, under the provisions of the Landscape and Lighting District Act of 1972 and Section 5506.9 of the Public Resources Code. The District provides for park, recreation and open space capital projects in unincorporated and incorporated areas of Los Angeles County, and is financed with special assessments. On November 5, 1996, the voters approved a second Safe Neighborhood Parks Proposition. This second Proposition levied an additional assessment within the District, amended the method of the assessment, and authorized expenditure of District revenues for any authorized purpose of the District.

The 2013-14 Adopted Budget reflects a \$3.5 million increase primarily due to increases in the Provisions for Obligated Fund Balance to finance future infrastructure improvements and utility cost increases; in Capital Assets-Infrastructure for street lighting installation contracts; and in Services and Supplies for operations and maintenance in various districts. The increase is partially offset by the decrease in Appropriations for Contingencies.

The Garbage Disposal Districts (GDD) provide garbage and disposal services within specified unincorporated areas of Los Angeles County. Reference Schedules to Comprehensive Annual Financial Report Budgetary Financial Statements

FINAL COUNTY BUDGET REFERENCE SCHEDULES TO THE BUDGETARY FINANCIAL STATEMENTS IN THE COMPREHENSIVE ANNUAL FINANCIAL REPORT FISCAL YEAR ENDED JUNE 30, 2013

In addition to the Final County Budget, the County also prepares a Comprehensive Annual Financial Report (CAFR), which contains financial statements that have been prepared in accordance with generally accepted accounting principles. Included in the CAFR are budgetary financial statements which have been prepared for certain governmental fund types. Because of the large number of individual funds and budget units, the CAFR financial statements are presented on an aggregated basis to combine funds, also known as fund groups, which are similar in nature.

These reference schedules identify the name of the individual fund or budget unit that makes up the detail for each CAFR fund group at the expenditure level by function. The reference schedule columns are defined below.

- 2013-14 Final Budget Page Reference column represents the detailed budgeted schedules for each fund or budget unit as shown in the 2013-14 Final County Budget Book.
- Adopted Budget column represents the original budget adopted by the County Board of Supervisors as shown in the 2012-13 Final County Budget Book.
- Adjusted Budget column represents the final fiscal year 2012-13 budget as shown in the 2013-14 Final County Budget Book.
- Actual on the Budgetary Basis column represents the actual expenditures, including encumbrances, and the actual revenue as shown in the 2013-14 Final County Budget Book.

The information is presented to demonstrate the budgetary control for each individual fund or budget unit within the fund group for each Statement/Schedule of Revenue, Expenditures, and Changes in Fund Balances - Budget and Actual on a Budgetary Basis as shown in the CAFR.
